\(^6\) An "educational component" is a self-contained and formal structured learning experience that features learning outcomes, credits and forms of assessment. Examples of educational components are: a course, module, seminar, laboratory work, practical work, preparation/research for a thesis, mobility window or free electives.

\(^7\) In countries where the "ECTS" system it is not in place, in particular for institutions located in partner countries not participating in the Bologna process, "ECTS" needs to be replaced in all tables by the name of the equivalent system that is used.

\(^8\) Nach Nominierung durch den/die Erasmus-Koordinatorin

HELENE MUSTER; Receiving Institution: Chalmers University
In case some educational components would not be successfully completed by the student, the following provisions will apply: [please specify or provide a weblink to the relevant information]: 

**Language competence of the student**

The level of language competence\(^9\) in [language of instruction] that the student already has or agrees to acquire by the start of the study period (for the above-mentioned dates) is:

**II. RESPONSIBLE PERSONS**

**Responsible person\(^10\) in the sending institution:**

Name: Christian Kühn
Phone number: 58801 ...........

Function: Study dean

**III. COMMITMENT OF THE THREE PARTIES**

By signing\(^12\) this document, the student, the sending institution and the receiving institution confirm that they approve the proposed Learning Agreement and that they will comply with all the arrangements agreed by all parties. Sending and receiving institutions undertake to apply all the principles of the Erasmus Charter for Higher Education relating to mobility for studies (or the principles agreed in the inter-institutional agreement for institutions located in partner countries).

The receiving institution confirms that the educational components listed in Table A are in line with its course catalogue.

The sending institution commits to recognise\(^13\) all the credits gained at the receiving institution for the successfully completed educational components and to count them towards the student's degree as described in Table A\(^14\).

---

\(^10\) Dean of Studies or thesis supervisor (if work for diploma- or PhD-thesis is carried out at the receiving institution).

\(^11\) An academic who has the authority to approve the mobility programme of incoming students and is committed to give them academic support in the course of their studies at the receiving institution.

\(^12\) Scanned copies of signatures or digital signatures are recognised. There is no need to circulate papers with original signatures.

\(^13\) "In response to the request of the student the responsible Dean of Studies herewith gives notice, that pursuant to Section 78 Para 5 Austrian University Act 2002 — UG (Federal Law Gazette I No 120/2002) the course components at the receiving institution are deemed equivalent to the course components at the sending institution as described in Table A, if they are successfully completed."

\(^14\) Any exceptions to this rule are documented in an annex of this Learning Agreement and agreed by all parties.
The student and receiving institution will communicate to the sending institution any problems or changes regarding the proposed mobility programme, responsible persons and/or study period.
